

Sponsored Fast Track ECDL (European Computer Driving Licence)

Have you already got some IT skills but no qualification? Complete your ECDL Level 2 in just one week with our free fast track course. The course and qualification fees are being offered free due to generous funding by South Holderness Technology College

This unique opportunity is available **only** during the week:

19th July to 23rd July

Monday to Friday

9.30am to 4.30pm with 45 min break for lunch.

At South Holderness Adult Education Centre

Learners will be expected to already hold a New CLAIT Level 1 Certificate (achieved within the last 2 years), or be able to prove equivalent skills, prior to being enrolled on this course.

Learners must also be prepared to attend the **Free Pre Assessment Day** at South Holderness Adult Education Centre on

**Wednesday 14th July between
10am and 5pm.**

(Pre course assessment could take up to 2 hours). We have funding for only 14 learners, therefore please book your place early to avoid disappointment.

**Note learners must pass the pre assessment to gain access to the fast track course.*

If you are not successful then you will be offered a place on the standard 36 week ECDL course.

Is it for you?

This course may be of particular interest to those who wish to gain an internationally recognised IT qualification quickly in order to develop their IT user skills and enhance their career prospects.

Qualification units are: Word Processing software, Spreadsheet software, Presentation software, Improving productivity using IT

For more details or to book your place on both the assessment day and the fast track ECDL course please contact Denise or Ellie on 01482 897534
