Issue 3 March 2000

HAPPY NEW YEAR

To all of our readers, even if we are a month or three late! We hope that you all had a wonderful time where ever you celebrated this new millennium. Did you remember to light the candle that the churches so generously gave to everyone?

We would like to take this opportunity to thank Peter Barker and Nick Clare for coming up with the idea of getting sponsorship to pay for the newsletter. Now it can remain free of charge to everyone.

Special thanks go to Peter Barker of Barker & Co. Solicitors, for getting the ball rolling with issue number 3. Our thanks, (in anticipation), go to Nick Clare for No. 4, Chris Walker for No. 5, Geoff Wilkinson for No. 6, John and Miriam Mould for No's. 7 & 8. If there are any local businesses or business people who live locally who would like to pledge sponsorship for future issues, please contact Linda. The subscriptions received by Julianne, Liz, and Linda have all been returned to the subscribers. We would like to thank each one of you for your support. (If you have not received your subscription back, please see the committee member you gave it to).

GUESS WHAT! We have offended some members of the community yet again. It would seem that whatever we do, however well intended, that we will offend someone. We would like to make it perfectly clear to everyone that we do nothing with a direct intention of giving offence. Nor do we discriminate intentionally or unintentionally either. If there is a demand for an event, then where possible we supply to that demand. The deed for the hall dictates that the committee acts 'without distinction of political, religious, or other opinions'. Translated into simple English, this means that we are not allowed to discriminate on any grounds. If there are any reasonable concerns regarding the use of the village hall, these will be seriously considered by the village hall committee. Just as a reminder, complaints must be put in writing and sent to the secretary.

This Newsletter was produced by the village hall committee for the information of the local inhabitants. All information is correct to our knowledge at the time of going to press, but please remember to check dates and times etc. Any inclusions for the next letter, to the secretary before the 12th May, please. Also remember that this is a means of communication for the use of our community. We distribute this letter to 215 households, (and 1 drainpipe!), but we reserve the right to refuse to become involved with any disputes between neighbours etc. when there are already councils and committees available as a means of arbitration. We also feel that it would be unwise to accept any inclusions via a third party as this could lead to misunderstanding, misinterpretation and mistakes. Thank you for your co-operation in not making us the proverbial pig in the middle.

If there is anything specific that you would like us to arrange at the hall, then let us know! We are open to suggestions and any reasonable request will be considered.

We are currently fund raising to improve the car park and garden, We also want to eradicate the mice, (as they never pay their rent on time).

We have compiled a quiz based on the book quiz that Mrs Stennett did at the school. It's a music quiz. A question paper is £1 a sheet, and the winner will receive gift tokens to the value of £15. The closing date is Monday 10th April and the winner will be announced in the June newsletter. The winner will also be informed by phone after the 17th April. Entry forms are available from committee members.

ADVERTS

Adverts will be accepted providing space is available at the same price as in the Skirlaugh newsletter. £12 for ½ A4 page, £6 for ¼ A4 page, and £3 for a small advert. We feel that it would be inappropriate to accept larger adverts. Private sales and wants will be charged at 50p for a maximum of 30 words. This will include a landline phone number and will be restricted to the area of distribution of this letter. All inclusions, to either the secretary or editor.

If you would like to hire the hall, for a private party etc, the charge is £5 per hour, (phone Liz for bookings). If you want a smaller venue, the Sunday school room is available to hire, for £3. Details from Mrs Fryer at Chantenev.

We are hoping to compile a users guide for the hall soon, but in the mean time could users please leave the hall as they find it, tidy. The plastic chairs melt when left in front of the heaters, which you must remember to turn off as you leave. Turn off the lights after making sure all the doors and windows are secure. A first aid box has been supplied, at the present time it is in the kitchen on the work surface, below the accident book, (please remember to fill in the accident book when they occur).

Parents are you aware of the growing concerns regarding the consumption of alcohol in the hall by teenagers!!! It has been decided by the committee, that we cannot accept the responsibility of other peoples children, consuming alcohol in the hall. Either with or without their parents knowledge. In future if teenagers wish to bring alcohol into the hall and are known to be under 18, they will be asked to leave the building. Their parents will be notified of the reasons why they were asked to leave.

With regard to unaccompanied children being left in our care, On a person level, we do not mind, but the question arose recently about how we stand legally. Our legal position is being looked into and we will keep you informed.

MILL HILL

Did you know that the site of the village hall and garden, Was called Mill Hill, 200 years ago. The land was given to the poor of the parish and was managed by the overseers of the poor and the Church wardens. Today it is held in trust, by the charities commission , and managed by the village hall committee, under the supervision of the trustees. The village hall committee was formed around 10 years ago. And rented the building and gardens from the charities commission, when the W.I. gave up the lease. After the renovations, the charities commission increased the annual rent from around £20 to £500. It has only remained open, by the hard work of the previous committee's fund raising efforts, the hire charge from the education authority, (after the arson attack on the school) and donations from kind people to this registered charity. (No. 1003854).

Did you know that the village adopted H.M.S. Whimbrel, in 1942. Has anyone any information on this ship that they would like to share with the rest of us?

CHRISTMAS DISCO

Everyone had a good time at the teenagers disco. It was so nice to see the Christmas tree and decorations sparkling in the lights. It was also very nice to see a few adults, strutting their stuff on the dance floor. Well done all of the girls! You all looked fabulous and had obviously spent ages getting ready, even if the odd label kept showing. The lads didn't look half bad either.

Hats off to Barbara, Len Smith, Richard, and Doreen, for accepting our invitation to have tea with the youngsters. Congratulations go to Richard and Isabelle for winning the pass the parcel. Richard senior, nearly won the musical chairs, well done to the youngster that pipped him to the post. We all enjoyed our tea and Julia's buns. Thank you to Kate Oliver and Jackie Moon for donning the marigolds. To Jon Kemp and Linda for smoothing out the last minute hiccups. We all enjoyed Rose's party games.

CAROL SINGING

The Sunday session lacked voices and the frosty air made our throats sore, despite Jaynes hospitality, so we gave up early but apparently another group had decided to sing separately, on the same night, at the same time that we published in the last newsletter. But THEY started from the other end of the village. So, sorry to those of you that complained to us, thinking that THEY were US. But you should have KNOWN that it is us who wear the halos and sing like angels! By the Wednesday we knew who THEY were and as we were a rather large group, this time, they accepted our invitation to join us. We were all pretty hoarse, by the time we reached the hall for a well earned cuppa.

Our grateful thanks to all who gave a donation, (not a single button in the bucket)! It was especially nice for us, when some of you came outside and sang with us. We raised a grand total of £80.79, which went towards subsidising the parties at Christmas and New Years Eve. P.S. Julianne had fun chasing the elusive Parish councillor and I feel sure if he's about again next year, he won't get away from her bucket!

NEW YEARS EVE

What a wonderful night we had! Millennium decorations glistening, champagne corks popping, and people happy and smiling. It was so nice to see families and friends, both

old and new, having a good time together. The DJ was great and seemed to cater to everyone's taste. Hannah Hedges was so impressed that she slept through her very first New Years Eve!

The community spirit shone through at the supper table. The communal supper that was brought by everyone was a superb feast! There were a few fancy dressers about that night, a strange woman wearing top hat and tails, a footballer, the odd angel drifting about and Babs wearing her balls, (sorry, printing error BELLS). Not forgetting the devil with the hippies across at the pub, who were heard singing out the Old Year and welcoming in the New, for miles around! My own personal thanks go to Josie and Julianne for their quick thinking and first aid treatment of Hannah, who had been hit in the eye with a party popper, by a chap who was old enough to have known better than to aim it at someone. To absent friends, the mince pies that you sent your mum over with, were lovely, as was the thought. DID YOU MAKE THEM YOURSELF? (Can I put you down for baking a cake for the village fete?) We are sorry that we had to be so strict on the door that night, but the public liability insurance only covers the hall for 95 people and we had sold all of the tickets.

School News

The school will be all powered up this week as Isabelle Moulds won a national EVERREADY battery competition winning £100 worth of batteries.

The school extension is almost complete with the opening ceremony due in March. The extension is looking very impressive and will take the school into the 21st Century and hopefully the school will thrive with this new initiative.

Going Back to School

*I always wanted to be a hairdresser but never did anything about it. I don't know why? Anyway at the grand old age of ***** I decided it was time I did. So I took myself off to Hull College and found out the information I needed. Enrolled, and took at 2 year part-time course in hairdressing. I qualified in July 1999 and re-started in September, taking the advanced level NVQ 3. Which finishes in July 2000. Going back to the class room was my best move ever!*

SCHOOL

The new school fund raising group is holding a fashion show, presented by Cariad of Hornsea. This will be held in the village hall on Wednesday 15th March, at 7.30pm. Everyone is welcome to come.

The more tokens collected, the more chance of getting free books for our children's schools. Please help by giving any tokens that you collect to ANY of the village children, who will take them to put in the box at their school.

Bring something to lie on and wear loose fitting clothes.

Have you had the pleasure of walking through St. Albans Church grounds? Along the newly laid path? This was a much needed improvement to our lovely church and graveyard. Well done, John and Miriam Moulds, not forgetting their small band of helpers. We are sure that the whole village will join us in saying a big **THANK YOU**.

FIRST ANNUAL VILLAGE FETE

Linda is co-ordinating the first annual village fete, joining together all the local groups, clubs and churches. This will be held on Saturday, 16th September in the village hall and garden.
