## Settlement Profile of

## WITHERNWICK

© Copyright Paul Glazzard and licensed for reuse under this Creative Commons Licence (Attribution-Share Alike 2.0 Generic)

Withernwick is a village 5 miles east of Skirlaugh on the Aldbrough to Skirlaugh road. The village is close to the attractive Lambwath Stream and surrounded by grade 2/3 agricultural land which is generally open and slightly undulating. Farmland around the village is mostly arable.

The historic core of the village is on Main Street. Later development in the south of the village around Mill Lane and Church Lane has squared off the village form. The old part of the village has a number of terraced housing and small cottages that provide distinctive character.

The eastern boundary of the village is marked by a light industrial unit and a primary school.
