Toy Library Consultation

We have recently held a Toy Library consultation with you as resources are not being loaned from the centre very often. What you are telling us is that you will not be intending to use this part of the service in the near future. Therefore, after Easter we will stop toy library in Beeford and the surrounding villages. (Toy library is still available at some other children's centres).

However, through our one to one support these toys will still be used to support you with your child's early learning and development in the home and also when accessing activities in the centre.

Remember our one-to-one support!

You can drop in to Beeford Children's Centre and ask to speak to a member of the team for information and advice on a range of issues such as weaning, behaviour, getting ready for starting school, budgeting, parenting and much more.
